

## **A & C Trades and Services of Knoxville, Tennessee Receives Best Of Houzz 2015 Award**

***Over 25 Million Monthly Unique Users Rated Top-Rated Home Building,  
Remodeling and Design Professionals in the United States and Around the World***

**Knoxville, Tennessee, January 19, 2015** - A & C Trades and Services of Knoxville has been awarded “*Best Of Houzz*” for Customer Satisfaction by Houzz, the leading platform for home remodeling and design. The 37 year old geothermal heating and cooling company was selected by the more than 25 million monthly unique users that comprise the Houzz community from among more than 500,000 active home building, remodeling and design industry professionals.

The Best Of Houzz award is given in two categories: Design and Customer Satisfaction. Design award winners’ work was the most popular among the more than 25 million monthly users on Houzz, known as “Houzzers.” Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2014. Winners will receive a “Best Of Houzz 2015” badge on their website profiles, helping Houzz users around the world who discover and love a professional’s work to learn even more about that business’ popularity and satisfaction rating among their peers in the Houzz community.

“A & C Trades is dedicated to giving our customers the highest level of integrity, professionalism, and quality workmanship,” said Nathan Anderson, vice president of A & C Trades. “We offer an un-paralled level of customer service, education, and support. ‘Green solutions’ is not just a catch phrase, for us, it is our mission and responsibility.”

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to recognize A & C Trades and Services among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”
